*Proceedings of the Government of His Highness the Maharaja of Mysore,
(Muzarayi),—dated 15th December 1892.*

READ :—

The following Memorandum, dated 15th October 1892, by the Muzarayi Superintendent —

MEMO.

"The state of disrepair of the Temples in this Province, attracted the attention of Government so long ago as 1869; and as the Muzarayi funds could not afford to bear the charge, Mr. Bowring, the then Chief Commissioner, thought, provision therefor might be made in the Public Works Department Budget. Mr. Hudson, the Comptroller, who was consulted in the matter, suggested that a provision of Rs. 10,000 a year could be made in the State Budget for the repairs of the important Muzarayi buildings, under supervision of Civil Officers."

2. "Mr. Bowring accordingly submitted an application to the Government of India on the 19th August 1869 for sanction to provide in the ensuing year's Budget Rs. 10,000 for the repairs of certain Chattrams and also suggested the advisability of assigning a moderate sum annually for the up-keep of the Muzarayi buildings. Colonel Meade likewise represented to the Government of India on the 29th July 1871 that there were 620 Temples and 27 Chattrams which were then in need of repair or restoration, the estimated cost of which aggregated Rs. 47,856 and strongly recommended to the Government of India an annual allotment of Rs. 10,000 being made from the Provincial Budget for the purpose of carrying out the repairs of Temples and Chattrams progressively for 5 years, after which its continuance would depend on the successful working of the measure. He added that neglect in repairing these buildings would have the effect of exciting the Maharaja's sympathies hereafter and induce him to spend large sums of money in their restoration. The Government of India, however, sanctioned a provision of Rs. 8,000 per annum for 3 years or Rs. 24,000 in all, being a moiety of the estimated cost of repairing these buildings then out of order, and directed that the other moiety be recovered from the managers or devotees of the Institutions concerned. Accordingly repairs were then executed to certain buildings which were in urgent need of them."

3. "The sum of Rs. 5,000 per annum was subsequently provided under sanction of the Government of India in the State Budgets of 1877-78 and 1878-79 for the same purpose. But the pressing need of funds caused by the famine of 1876-77 prevented the utilization of these amounts; and since the Rendition, no provision on this account has been made by the Durbar. The condition of these buildings therefore after an interval of more than 20 years, during which long period little or no expenditure has been incurred in their up-keep, is such as requires immediate attention from the Government."

4. "Some of the important Temples are in a much neglected condition with vegetation growing in all the crevices. From the Returns received from the Deputy Commissioners, it appears there are 261 Temples endowed by the State which are badly in need of repairs and it is estimated that these repairs would involve an outlay of Rs. 3,91,365-8-6. These Temples have no resources of their own to meet this heavy cost and the devotees or the village communities interested are unable to contribute towards their restoration."

5. "It is undesirable that these Temples mostly built by the former Rulers at a cost of several lakhs of rupees should be allowed to go to rack and ruin. In some cases, repairs are so urgently wanted that unless early assistance is granted by the Government, the buildings must fall into irretrievable decay. I would therefore propose for the consideration of the Government that an annual grant of Rs. 15,000 be made from State funds for a period of 10 years to enable the Muzarayi Department to carry out these repairs gradually."

6. "In the next 2 or 3 years only such Temples as stand in urgent need of repairs will be taken up, reserving the others for future years as funds become available."

No. 259-68—Muz. F. 105-92, DATED BANGALORE, 15TH DECEMBER 1892.

ORDER THEREON.—The Government after careful consideration are satisfied that the more important Temples in the State are in urgent need of repair, and accordingly sanction for the purpose a present grant of Rs. 5,000 for 1892-93.

Memo

In No. 259.68
dated the 15th December
1892, passing orders on
my Memo of the 15th
October 1892, the Govern-
ment were pleased to
sanction a grant of Rs
20,000 - Rs 5,000 for 1892.3
and Rs 15,000 for 1893.4,
from the Provincial Funds,
for the repairs of the more
important temples in the
Province. Out of the sum
of Rs 5,000 allotted for
the year 1892.3, repairs
to the extent of Rs 4715.10.10
were sanctioned as per
Statement-A appended,
and out of the current
year's grant of Rs 15,000
Rs 14132.1.4 have already

been sanctioned for the repairs of temples as noted in Statement, B. These repairs have either been carried out or are under rapid progress under the supervision of the District Officers.

2. There are yet many more temples of importance which stand in urgent need of repairs, but which have no funds of their own to meet the cost thereof.

I would therefore propose for the Consideration of Government that an annual grant of Rs 15,000 be made from the State Funds for the next two years, viz, 1894-5 and 1895-6.

5

The funds now
applied for to be sanctioned
will be allotted to the
several Dioceses with
due consideration to
the relative numbers
and importance of the
temples in each.

Several instances
have been brought to the
notice of Government,
in which the allotments
assigned from out of the

institutions have lapsed
to Government, owing to
the Deputy Commissioners'

thus necessitating a second

after execution

inconveniences in future

I beg permission to draw
the full amount of the
State Grant at the beginning
of the official year and
credit it to the Murray
